

SITELOCK CUSTOMER AGREEMENT

Last Updated: February 18, 2019

These terms and conditions (the “Agreement”) are a binding agreement between [SITELOCK, LLC](#), an Arizona limited liability company (“SiteLock”) and you (“You”, “User” or “Customer”) the party who visits SiteLock (or its affiliates)’s Site (as defined below) or who signs up for, use or obtain services or products from SiteLock (or from any third party in connection therein) as set forth in an applicable registration form or other online signup, acceptance or order form (collectively, “Registration Form”, hereby incorporated by reference), and applies to any visit to the Site or purchase of services through a Registration Form, and/or the use of any information, tools, software, services, and functionality located on or provided through the Site (all of the above collectively, the “Services”).

PLEASE READ THIS AGREEMENT CAREFULLY. BY SIGNING UP FOR AND USING THE SERVICES OR BY CLICKING THE CHECKBOX OR “I ACCEPT” BUTTON IN THE REGISTRATION FORM, THE CUSTOMER HEREBY AGREES TO BE BOUND BY THIS AGREEMENT AND ANY TERMS INCORPORATED HEREIN BY REFERENCE, INCLUDING, BUT NOT LIMITED TO, THE [ACCEPTABLE USE POLICY](#) AND [PRIVACY POLICY](#) (COLLECTIVELY, THE “TERMS”).

THIS AGREEMENT CONTAINS A BINDING INDIVIDUAL [ARBITRATION AND CLASS ACTION WAIVER](#) PROVISION THAT AFFECTS YOUR RIGHTS .

Our Services are subject to [Automatic Renewal](#) unless cancelled as set forth [here](#).

1. Modifications. SiteLock can change, update, or add or remove provisions of this Agreement, at any time by posting the updated terms on the Site and by notifying the Customer either through a banner on the Site or, depending on the Customer’s account status, via email at SiteLock’s sole discretion. By using the Services after SiteLock has updated the Agreement, you agree to all the updated terms; if you do not agree with any of the updated terms, you must stop using the Services. You also acknowledge and agree that this Agreement may be superseded by expressly-designated legal notices or terms located on particular features of the Services (“Additional Terms”) that SiteLock may make available from time to time through its internet properties, including any applicable limitations on damages and resolution of disputes. These expressly-designated legal Additional Terms are incorporated into this Agreement and supersede the provision(s) of this Agreement that are designated as being superseded.

SiteLock may make changes to the Services at any time. You understand and agree that the Services are evolving. As such, SiteLock may require that you download and install updates to the Services, at any time, without notice or liability to you. You also understand and agree that

any such changes or updates to the Services might change the system specifications or features necessary to use the Services, without liability to you.

2. Privacy. Please review SiteLock's [Privacy Policy](#) which explains how we use information that you submit to SiteLock. The [Privacy Policy](#) is hereby incorporated by reference.

3. Definitions. Capitalized terms not otherwise defined, shall have the meaning set forth below.

"Site" means, collectively, all of SiteLock (and its affiliates)'s associated internet properties, including without limitation [SiteLock.com](#), any mobile applications, any APIs provided to access SiteLock's systems or Devices accessible by the internet that facilitate, provide or describe the Services, or any software or other websites that interface with [SiteLock.com](#) and/or any other SiteLock's websites.

"Devices" mean any computer hardware, network, storage, input/output, or electronic control devices, or software installed on such devices.

"Security Audits" are audits conducted to determine the compliance of network Devices that have published security standards and to disclose security vulnerabilities and may include, but are not limited to, port scanning and port connections, assessing services by checking versions and responses to certain requests, and crawling websites to perform testing of forms, application responses, or to confirm the existence of certain files, downloading and scanning the source code files of websites.

"Web Host" means either the Customer, or the agent of the Customer, that maintains the hardware and/or the software of the Customer's website on the Customer's behalf.

4. Right to Use the Services; License Grant; Software and Ownership.

(a) Subject to Customer's compliance with the provisions of the Agreement, Customer is granted a nonexclusive, non-transferable, non-sublicensable, revocable, fee bearing, limited right to access and use the Services for Customer's internal purposes. Customer agrees not to (i) sell, license (or sublicense), lease, assign, transfer, pledge, or share any of its rights under this Agreement with or to anyone else; (ii) modify, alter, reverse engineer, disassemble, de-compile, translate the Services and/or accompanying documentation, or grant any third party the right to do so; or (iii) violate any applicable laws or use the Services for any activities or content that is illegal under applicable law.

(b) The Services may require or allow you to download software, software updates or patches, or other utilities and tools onto your computer, entertainment system or device ("Software"). SiteLock grants to you a non-exclusive, limited license to use Software solely for the purpose stated by SiteLock at the time the Software is made available to you and in accordance with this Agreement. Your use of the Software may be subject to the terms of an end-user license agreement. You may not sub-license, or charge others to use or access Software. You may not

translate, reverse-engineer, reverse-compile or decompile, disassemble or make derivative works from Software. You may not modify Software or use it in any way not expressly authorized in writing by SiteLock. You understand that SiteLock's introduction of various technologies may not be consistent across all platforms and that the performance of Software and related Services may vary depending on your computer and other equipment. From time to time, SiteLock may provide you with updates or modifications to Software. You understand that certain updates and modifications may be required in order to continue use the Software and Services.

(c) All intellectual property rights evidenced by or embodied in the Services, are owned exclusively by SiteLock and its suppliers. The rights granted to Customer are limited to those expressly stated in this Agreement. No additional rights or licenses are being granted by implication or otherwise and all such rights and licenses are expressly reserved. Any ideas, suggestions, modifications and the like made by Customer with respect to the Services will be the property of SiteLock regardless of whether SiteLock chooses to exercise its rights to incorporate such ideas, suggestions or modifications into the Services. All information provided by SiteLock in connection with the Services is protected under copyright and intellectual property laws. Except when authorized in writing by SiteLock or elsewhere in this Agreement, Customer must not distribute or duplicate this information in any form, whether for commercial purposes or not, any part of the Services. Unless indicated otherwise, Customer may view, download, copy, and print SiteLock's documents from the Services, as long as such documents are only for Customer's use and are not displayed, distributed, customized, including defacing or removing copyright, trademark or other intellectual property ownership notices.

5. Access Requirements; Restrictions. Except as explicitly set forth herein, Customer is solely responsible for acquiring and maintaining all of the equipment, software and services necessary to access and make use of the Services, including without limitation paying all fees and other costs related to internet access and for configuration changes that may be required to route activity to the Services. As a prerequisite for provision of the Services, Customer hereby agrees to ensure that all traffic to its website will be rerouted to the applicable Internet Protocol ("IP") address as set forth in the applicable SiteLock set up procedure and shall fully comply with all ICANN rules and regulations and any applicable internet registrar procedures. In the event of expiration or termination of any Services that require DNS routing, Customer will be solely responsible for rerouting its DNS traffic back to its IP address and SiteLock and its partners and suppliers shall have no liability for Customer's failure to do so. Customer agrees that for the purpose of enabling the provision of the Services, SiteLock may cache on its servers content and/or meta data contained in Customer's website and/or sent to Customer's website ("Customer's Content"), including without limitation rerouting Customer's Content and all traffic directed to Customer's website to another SiteLock designated IP address. Customer hereby grants SiteLock and its partners a nonexclusive, worldwide, fully paid-up, royalty-free license to use, transfer, display, minimize and compress Customer's Content solely for the purpose of providing and improving the Services. Such license will apply to any form, media, or technology now known or hereafter developed. Customer hereby warrants and represents that: (i)

it is the sole owner of and/or holds all necessary rights in and to Customer's Content; (ii) there are no restrictions which prevent or restrict Customer from granting SiteLock the license above. SiteLock is not a back-up service and does not keep a copy of Customer's Content. If Customer's right to use the Services is terminated or is not renewed, SiteLock may, without notice, deny access to any of Customer's Content or delete or deny access to any data that may remain in its possession or control. SiteLock acknowledges that content of Customer's website and information its users send to the website is Customer's confidential information and SiteLock will not disclose such information to third parties.

6. Prohibited Uses. Customer is not permitted to use or direct the Services to interact with Devices or IPs if Customer is not expressly authorized to do so. Customer may not use the Services in a manner as to produce unreasonable load on Devices or IPs to which Customer has directed the Services to interact. Customer may not use any of the Services, directly or indirectly, to initiate, transmit, contribute, hack, or crack, direct or attempt any attack, or send bandwidth saturation, malicious or potentially damaging network messages to any Device, whether owned by SiteLock or not. Customer must not direct any such attacks of any kind using any protocol at the Site. Customer may not direct bots, crawlers, spiders or any other automated process at the Services (which include the Site). Customer must not, through the use of the Services or by any other means, create excessive load on the Site or any of SiteLock's Devices. Customer must not use the Services or SiteLock's Devices to perform any unlawful activity including but not limited to computer crime, transmission or storage of illegal content, or content or software in violation of intellectual property and copyright laws. If Customer gains access to any unauthorized information, then the Customer is required to report such access to SiteLock immediately and destroy any and all electronic or hard copies of such information. A breach of any of the covenants discussed above will result in immediate termination of Services and, possibly referral to law enforcement authorities.

7. Customer Identity and Authority to Enter this Agreement. Customer agrees to provide current and accurate information in all electronic or hardcopy Registration Forms submitted to SiteLock in connection with the Services. Customer agrees not to impersonate or misrepresent in any way its affiliation or authority to act on behalf of any person, company, or other entity. By accepting this Agreement and/or subscribing to the Services, Customer warrants and represents:

(i) that Customer has the legal authority and capacity to enter into legal agreements on his/her/its jurisdictions. If you are entering into this Agreement on behalf of a business entity, you represent and warrant that you have the legal authority and capacity to bind such business entity. If you are not authorized nor deemed by law to have such authority, you assume sole personal liability for the obligations set out in this Agreement.

(ii) That Customer is authorized to act as a representative of an individual, business or other legal entity having contractual usage rights granted by Web Host or an Internet Service Provider (ISP)

owning or licensed to use, any and all IPs and the associated Devices to which you direct Services to be performed.

(iii) That Customer has the needed permission with Customer's Web Host, technology team, and/or any other affected party, for SiteLock to regularly conduct remote security scans, as may be required by certain Services, as well as furthering representing that such security scans are legal in Customer's locale.

(iv) Customer agrees to provide SiteLock any material reasonably required to verify the above-stated and agrees to cooperate with SiteLock in reasonable measures to verify the identity and authority of persons using the Services.

8. Ineligible Parties. To the extent permissible by law, Customer is ineligible to subscribe to the Services if: (i) Customer is a competitor of SiteLock, (ii) Customer or its agents using the Services have been convicted of any computer or Internet related crimes, (iii) Customer is more than sixty (60) days past due on any monies owed to SiteLock, or (iv) Customer is located in a region that prohibits Customer from using the Services by law.

9. Conduct and Content. Customer will use the Services in a businesslike and reasonable manner in accordance with the law. Customer will be responsible for its conduct while using the Services, as well as for any content Customer posts, distributes, transmits or solicits from others while using the Services. Customer will conform with all applicable laws, regulations, and SiteLock's policies regarding on-line conduct and content, including and as set forth in its [Acceptable Use Policy](#).

10. Security. Customer will not provide access to the Services by; (i) permitting unauthorized users to use Customer's account; (ii) making an account for someone who is not authorized to perform the role or view the information for which Customer has been granted access; or (iii) failing to withdraw access for those persons who are no longer authorized to access the Services for any reason. Customer will immediately report to SiteLock any unauthorized access from its account or the accounts of others for which Customer has authority, including but not limited to the use of accounts, passwords, or any other breach of security. Customer will not access another's account, nor disrupt, interfere, or limit the functioning of the Services, or other's enjoyment of the Services. Customer will not solicit other party's password for any reason.

11. Term, Termination and Automatic Renewal.

(a) Term. Customer agrees that the Agreement shall remain in effect for as long as Customer subscribes to, or uses the Services. Subscription-based Services will remain in effect for the period chosen by Customer during purchase (the "Subscription Term").

(b) Automatic Renewal. SiteLock shall automatically renew the Services for the same subscription period unless canceled by Customer as set forth herein. Upon renewal, Customer's account will be automatically charged for each subscription period in advance. As long as Customer's website qualifies for the displaying of SiteLock's logos/images, Customer may

continue displaying the seal for the remaining Subscription Term. **Customer agrees that subscription based Services will automatically renew at the end of each subscription period, at the then current list price for the applicable Services, unless Customer cancels at least thirty (30) days prior to the end of Customer's current subscription period.** Each renewal of Services shall be subject to the terms of the Agreement in effect at the time of renewal.

(c) Termination of Service. Customer agrees that subscription-based Services can only be terminated by Customer pursuant to [Section 12 \(Cancellation\)](#) below. Upon termination Customer agrees to stop using the Services, and to pay all monies owed to SiteLock, if any. Customer agrees that SiteLock can terminate this Agreement at any time with or without cause, if SiteLock has reason to believe that Customer is violating the Agreement in any way, or if the applicable Service is permanently discontinued, subject to [Section 16 \(Refund\)](#) below. After termination or expiration of the Subscription Term, the provisions of this Agreement that ought to survive termination, shall survive.

12. Cancellation. Cancellation requests can be submitted by notifying SiteLock through Customer's online account portal and/or by calling our Customer Care Department at +1 (415) 390-2500, subject to account ownership verification by SiteLock. Customer agrees and understands that, in addition to any cancellation rights provided by your local jurisdiction, **cancellations must be made at least thirty (30) days prior to the expiration of the then Subscription Term** to avoid automatic renewal.

13. Specialty Services. Some of the Service provided by SiteLock under the terms of this Agreement include without limitation Expert Services and VPN Services.

(a) Expert Services. "Expert Services" mean secure web design and website cleaning services, either manually or automatically through services such as the SiteLock's Secure Malware Alert & Removal Tool (SMART). In the event SiteLock provides Expert Services to Customer, Customer understands, acknowledges and agrees to allow SiteLock to perform any and/or all of the following: (i) Use credentials provided by Customer to log in to Customer's website through Customer's control panel and/or FTP; (ii) Download Customer's website including but not limited to the website images, pages, code, database, and any associated applications related to Customer's website; (iii) Diagnose, repair, and/or remove any malware or links to malware, modify code to remove vulnerabilities identified to be database or cross-site scripting types of hacks; (iv) Perform web design services and/or create new webpages; (v) Re-upload Customer's website and/or modify Customer's login credentials to any application, account, and/or related matters; (vi) Contact Customer's hosting company on the customer's behalf; (vii) Contact Google, Phishtank and/or other malware listing authorities on the Customer's behalf; and (viii) Customer's may also use SiteLock's SMART (Secure Malware Alert & Removal Tool) to perform scans in addition to the activities discussed in section 13(a)(i) through (iv) above.

(b) Customer obligations for Expert Services. In the event SiteLock provides Expert Services to Customer, Customer shall assist SiteLock as follows: (i) Modifying Customer's login credentials for FTP account(s), hosting account(s), applications, and e-mail account(s), using a strong password (i.e. upper case characters, lower case characters, numbers, symbols); (ii) Keeping up-to-date and running all anti-virus software on all Devices; (iii) Research any plug-ins, scripts, programs, themes the Customer implements for known security vulnerabilities; (iv) Removing any known and/or unresolved vulnerabilities; (v) Removing unused FTP accounts; (vi) Removing all unknown cron jobs; (vii) Securing the php configuration settings in a Customer's php.ini; (viii) Updating the file permissions for files and folders in a Customer's account; and (ix) Purchasing any required upgrades of third-party software necessary to prevent security vulnerabilities.

(c) VPN Services. "VPN Services" are transitory digital network communications services, which enhance internet security and privacy. At your individual request and at your sole discretion we automatically provide unsupervised and non-monitored data conduit – virtual private network (VPN) connection – for your exclusive use, at your own risk and responsibility. You are solely and exclusively responsible for the use of the VPN Services. SiteLock will not be liable in any way or form for actions done by its users including criminal liability and civil liability for harm executed or not executed. VPN liability is further limited by other provisions of this Agreement. We grant you a permission to use the VPN Services subject to the restrictions set forth in this Agreement. YOUR USE OF THE VPN SERVICES IS AT YOUR OWN RISK. SiteLock, its owners, employees, agents and others that are involved with the VPN Services are not in any way or form liable for any harm of any kind executed or not executed, resulting from or arising through or from the use of any account registered with VPN Services. SiteLock allows a maximum number of simultaneous connections per account, as it may be set forth when you purchase the VPN Services. That includes proxy connections, and each of them counts as a separate slot. SiteLock guarantees a 99% service uptime. SiteLock collects and processes very limited user data. Further information about user data processing is provided in the [Privacy Policy](#). SiteLock guarantees a strict no-logs policy for VPN Services, meaning that your activities using VPN Services are provided by automated technical process, are not monitored, recorded, logged, stored or passed to any third party. We do not store connection time stamps, session information, used bandwidth, traffic logs, IP addresses or other data. SiteLock does not condone or endorse any unlawful, illicit, criminal or fraudulent activities perpetrated by using the VPN Services and their use is subject to our [Acceptable Use Policy](#).

14. Billing. SiteLock will charge Customer in advance for each Subscription Term. When Customer subscribes to a Service, Customer must give SiteLock a valid email address and a payment method (credit card) that SiteLock accepts. SiteLock reserves the right to stop accepting Customer's payment method or Customer's payments. Customer must advise SiteLock at once if Customer's payment method expires, Customer closes their account, Customer's billing address

changes, Customer's email address changes, or if Customer's payment method is cancelled and replaced on account of loss or theft.

15. Sales/Use Tax. Customer shall pay all sales and other taxes, however designated, which are levied or imposed by reason of the transactions contemplated hereby, with the exception of taxes based on SiteLock's net income.

16. Refund Policy. Customer may be eligible for a refund of some or all subscription fees in the event SiteLock's Services fail to perform, as determined solely by SiteLock, or in the event of an early discontinuation of unused pre-paid Services by SiteLock. Any refund request must be made, in writing including the reasons for the refund, within thirty (30) days of signing up for the Services. In the event of a refund, SiteLock may not be able to refund any taxes that Customer paid. SiteLock will use commercially reasonable efforts to refund promptly any charges (less any amounts that Customer owes) to Customer. This Refund Policy shall not apply if Customer is found to be in violation of SiteLock's terms of service.

17. Disclaimer of Warranty and Limitation of Liability.

(a) SiteLock does not guarantee the accuracy of information found through its Services. Customer reliance on information found through its Services is at your own risk. THE SERVICES, AND ALL ITS CONTENTS, ARE PROVIDED TO CUSTOMER "AS IS." SITELOCK MAKES NO OTHER WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT OF THE RIGHTS OF THIRD PARTIES, OR DATA ACCURACY. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY CUSTOMER FROM SITELOCK OR THROUGH OR FROM THE SERVICE SHALL CREATE ANY WARRANTY OR OTHER OBLIGATION NOT EXPRESSLY STATED IN THE TERMS.

(b) UNDER NO CIRCUMSTANCES WILL SITELOCK OR ANY OTHERS INVOLVED IN CREATING OR PROVIDING THE SERVICES BE LIABLE FOR ANY DAMAGES OR INJURY, INCLUDING ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE OR OTHER DAMAGES RESULTING FROM ANY CIRCUMSTANCE OR LOSS INVOLVING THE SERVICES, EVEN IF CUSTOMER HAS ADVISED SITELOCK IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGE.

(c) SITELOCK DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE CONTENTS AVAILABLE THROUGH THE SERVICES IN TERMS OF THEIR TIMELINESS, CORRECTNESS, ACCURACY, RELIABILITY, OR OTHERWISE. CUSTOMER SHOULD NOT ASSUME THAT THE INFORMATION PROVIDED IS ALWAYS UP TO DATE OR THAT THE SITE CONTAINS ALL THE RELEVANT

INFORMATION AVAILABLE. WE UNDERTAKE NO OBLIGATION TO VERIFY OR MAINTAIN THE CURRENCY OF SUCH INFORMATION.

(d) Applicable laws may not allow the exclusion of certain warranties or the limitation or exclusion of liability for incidental or consequential damages. Accordingly, some of the above limitations or exclusions may not apply to Customer. HOWEVER, IN NO EVENT SHALL SITELOCK'S AGGREGATE LIABILITY TO YOU OR ANY THIRD PARTY FOR DAMAGES, LOSSES, AND CAUSES OF ACTION EXCEED THE AMOUNT PAID BY CUSTOMER, IF ANY, FOR ACCESSING THE SERVICES OR IF NO AMOUNTS HAVE BEEN PAID, USD \$100. Customer agrees to bring any and all actions within one year from the date of the accrual of the cause of action, and that actions brought after this date will be barred.

18. Special Disclaimer. Customer understands and acknowledges that, in some situations, based on analysis of Customer practices by SiteLock, certain automated or manual system probes to identify website and network vulnerabilities (i) will be inherently invasive and intrusive, and include attempts by SiteLock or its agents, as applicable, to gain unauthorized access to Customer's systems in an effort to make Customer aware of those areas in which Customer's system is vulnerable to intrusion, damage, and/or unauthorized use, (ii) may result in inadvertent damage to Customer's system as a result of dissimilarities among network systems, (iii) may cause excessive amounts of log messages resulting in excessive disk space consumption, (iv) may cause degradation of Customer's system as a result of attempts to penetrate it including, but not limited to possible "slowdowns," "hanging" or "crashing" of Customer's system, possible failure of Customer's system as a result of attempts to invade it, or any other damage resulting from intrusive and/or invasive techniques used to gain access to Customer's system. Customer hereby gives its informed consent to intrusion into Customer's systems by SiteLock and its agents for the sole purpose of performing the Services provided herein. Customer hereby authorizes SiteLock to perform Security Audits, on any Devices and IPs specified by Customer. CUSTOMER HEREBY ACKNOWLEDGES AND AGREES THAT SITELOCK WILL NOT BE LIABLE FOR ANY DELAYS OR DAMAGES CAUSED BY SITELOCK'S SERVICES, INCLUDING ANY SECURITY AUDITS.

19. Right to Display SiteLock's Seals. Customer will only place this SiteLock HTML code on sites that have SiteLock approval. The SiteLock's seals shall at all times be served only from SiteLock's designated servers and remain SiteLock property and under full control of SiteLock. SiteLock shall have the right to terminate the display of SiteLock's seals should any Customer website, and/or any other device being scanned that is used in connection with that website or its services, fail to meet SiteLock's certification guidelines. Removal of SiteLock's seals for the reasons stated in the previous sentence does not relieve any financial obligation that the Customer has to SiteLock, nor does it constitute any responsibility for SiteLock to provide refunds during the time that the seals are not displayed. Should Customer discontinue the Services, Customer agrees to immediately delete all HTML source code supplied by SiteLock from Customer's servers. Customer is prohibited from using SiteLock's seals for or on behalf of

any other organization or in connection with any domain name and/or organization name other than those permitted by SiteLock, which is registered and established under Customer's account. Customer will not modify SiteLock's seals in any form, alter the data contained within the image, alter the file name of the image, or artificially alter the size or shape of the image(s). The right to display SiteLock's seals is a non-exclusive and non-transferable, limited license which may be rescinded at any time at the sole discretion of SiteLock.

20. Use of Interactive Services. Any support tools, chat rooms, forums blogs, or additional interactive tools associated with the Services are intended as a tool to converse about computer security issues, generally available SiteLock products, services, and other business and technical issues associated with the use of the Services. Customers are not permitted to use these interactive services to solicit business. SiteLock does not typically screen or edit user's content or monitor interactive services, except as needed to provide technical and customer support, but reserves the right to do so in the future. SiteLock is not responsible for any unintended or prohibited content.

21. Links to Third-Party Sites. The Services may be linked to other web sites that are not SiteLock internet properties (collectively, "Third-Party Sites"). Certain areas of the Site may allow you to interact with such Third-Party Site and, in certain situations, you may be transferred to a Third-Party Site through a link but it may appear that you are still on the Site. In any case, you acknowledge and agree that the Third-Party Sites may have different privacy policies and terms and conditions and/or user guides and business practices than those of SiteLock, and you further acknowledge and agree that your use of such Third-Party Sites is governed by the respective Third-Party Site privacy policy and terms and conditions and/or user guides. You hereby agree to comply with any and all terms and conditions, users guides and privacy policies of any of Third-Party Sites. SiteLock is providing links to the Third-Party Sites to you as a convenience, and SiteLock does not verify, make any representations or take responsibility for such Third-Party Sites, including, without limitation, the truthfulness, accuracy, quality or completeness of the content, services, links displayed and/or any other activities conducted on or through such Third-Party Sites. YOU AGREE THAT SITELOCK WILL NOT, UNDER ANY CIRCUMSTANCES, BE RESPONSIBLE OR LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY GOODS, SERVICES, INFORMATION, RESOURCES AND/OR CONTENT AVAILABLE ON OR THROUGH ANY THIRD-PARTY SITES AND/OR THIRD-PARTY DEALINGS OR COMMUNICATIONS, OR FOR ANY HARM RELATED THERETO, OR FOR ANY DAMAGES OR LOSS CAUSED OR ALLEGED TO BE CAUSED BY OR IN CONNECTION WITH YOUR USE OR RELIANCE ON THE CONTENT OR BUSINESS PRACTICES OF ANY THIRD-PARTY. Any reference on the Services to any product, service, publication, institution, organization of any third-party entity or individual does not constitute or imply SiteLock's endorsement or recommendation.

22. Confidentiality. Except as provided in SiteLock's Privacy Statement, SiteLock and Customer agree, that for a period of one (1) year following the expiration or termination of the

Services, to hold each other's Confidential Information (as defined below) in confidence and neither party will disclose any of that information to any third party without the prior written consent of the disclosing party. The parties additionally agree to use such Confidential Information of the disclosing party only for the purpose of performing the party's obligations of this Agreement. Further, the receiving party shall use the same degree of care it would use with respect to its own Confidential Information in order to prevent the unauthorized disclosure to a third party, but can in no event use less than reasonable care. Customer understands and agrees that SiteLock can transfer the Customer's data, which was gathered by the Services purchased by Customer, to SiteLock data centers for purposes of fulfilling SiteLock's obligations under this Agreement. "Confidential Information" shall mean any non-public, proprietary information including, but not limited to, any information, data, equipment, designs, drawings, specifications, documentation, diagrams, development, flow charts, research, techniques, source code, ideas, inventions, concepts, software, processes, models, technical data or know-how relating to discoveries, object code, business plans or opportunities, business strategies, future projects or products, projects or products under consideration, procedures, and information related to finances, costs, prices, vendors, customers and employees that is disclosed by such party or on its behalf whether before, on or after the date hereof, directly or indirectly, in writing, orally, or by drawings or inspection of equipment or software, to the other party or any of its employees or agents. Customer agrees that passwords and/or secret question used by Customer to access its account and to receive Services will be treated as Confidential Information. Customer further agrees that the logos, trademarks or other identifying characteristics of Customer are not Confidential Information and that SiteLock may identify Customer as a customer, provided that such reference does not include any Confidential Information. The obligations to protect Confidential Information in this Section shall not apply to information which: (i) was rightfully in the receiving party's possession prior to disclosure by the disclosing party; (ii) is or becomes publicly known through no act or failure to act on the part of the receiving party; (iii) is approved by the disclosing party for disclosure without restriction; (iv) became rightfully known to the receiving party, without confidential or proprietary restrictions, from a source other than the disclosing party; (v) is or was developed independently by the receiving party without use of or reference to any of the Confidential Information and without violation of any confidentiality restriction; or (vi) is required to be disclosed by law.

23. Breach. Customer will be in breach of this agreement if the Customer fails to pay any amount owed to SiteLock when due, subject to a ten (10) day grace period, or Customer fails to comply with the terms of this Agreement, [Privacy Policy](#) or [Acceptable Use Policy](#). Unless otherwise stated, fees for Services are due in advance and subject to payment terms in the invoice(s) for the Services, which are incorporated into this Agreement by reference. If Customer is found to be in default, SiteLock may take any or all of the following actions to remedy the default and protect its interests: (i) declare all unpaid monies immediately due and payable; (ii) terminate the Services; (iii) take any other lawful action SiteLock deems to be appropriate to

enforce Customer's obligations under this Agreement. Customer agrees to pay costs and reasonable attorney's fees SiteLock might incur while enforcing its rights under this agreement.

24. Indemnity. Customer agrees to indemnify, hold harmless, and defend SiteLock, its agents, suppliers, officers, directors, employers, licensors, and/or third party information providers, or other connected parties from and against all losses, damages, costs, and attorney's fees ("Claims") stemming from violation of this Agreement or any action, whether intentional, malicious, unintentional, wrongful or negligent, related to Customer's account, Customer's use of the Services or any other person or persons who use Customer's user account. SiteLock DOES NOT indemnify Customer against such Claims made against Customer by others as a result of Customer's use of the Services.

25. Governing Law. Any controversy or claim arising out of or relating to this Agreement, the formation of this Agreement or the breach of this Agreement, including any claim based upon arising from an alleged tort, shall be governed by the substantive laws of the State of Arizona, United States of America. The United Nations Convention on Contracts for the International Sale of Goods does not apply to this Agreement. Any claim brought pursuant to this Agreement shall be brought in a court of competent jurisdiction within the State of Arizona and venue for any such claim shall be proper in the appropriate state or federal court located in Maricopa County, Arizona.

26. Binding Individual Arbitration.

(a) Purpose. The term "Dispute" means any dispute, claim, or controversy between Customer and SiteLock regarding any services provided, whether based in contract, statute, regulation, ordinance, tort (including, but not limited to, fraud, misrepresentation, fraudulent inducement, or negligence), or any other legal or equitable theory, and includes the validity, enforceability or scope of this Section (with the exception of the enforceability of the Class Action Waiver clause below). "Dispute" is to be given the broadest possible meaning that will be enforced. If Customer has a Dispute with SiteLock or any of SiteLock's officers, directors, employees, attorneys and agents that cannot be resolved through negotiation within the time-frame described in the "Notice of Dispute" clause below, other than those matters listed in the Exclusions from Arbitration clause, Customer and SiteLock agree to seek resolution of the Dispute only through arbitration in accordance with the terms of this Section, and not litigate any Dispute in court. Arbitration means that the Dispute will be resolved by a neutral arbitrator instead of in a court by a judge or jury.

(b) Exclusions from Arbitration. CUSTOMER AND THE COMPANY AGREE THAT ANY CLAIM FILED BY EITHER PARTY IN SMALL CLAIMS COURT AND ANY CLAIM FOR AMOUNTS OWED FOR SERVICES RENDERED ARE NOT SUBJECT TO THE ARBITRATION TERMS CONTAINED IN THIS SECTION.

(c) Notice of Dispute. IF CUSTOMER HAS A DISPUTE WITH THE COMPANY, CUSTOMER MUST SEND WRITTEN NOTICE TO THE COMPANY TO GIVE THE

COMPANY THE OPPORTUNITY TO RESOLVE THE DISPUTE INFORMALLY THROUGH NEGOTIATION. Customer agrees to negotiate resolution of the Dispute in good faith for no less than 60 days after Customer provides notice of the Dispute. If the Dispute is not resolved within 60 days from receipt of notice of the Dispute, Customer or SiteLock may pursue Customer's claim in arbitration pursuant to the terms in this Section.

(d) Class Action Waiver. ANY DISPUTE RESOLUTION PROCEEDINGS, WHETHER IN ARBITRATION OR COURT, WILL BE CONDUCTED ONLY ON AN INDIVIDUAL BASIS AND NOT IN A CLASS OR REPRESENTATIVE ACTION OR AS A NAMED OR UNNAMED MEMBER IN A CLASS, CONSOLIDATED, REPRESENTATIVE OR PRIVATE ATTORNEY GENERAL LEGAL ACTION, UNLESS BOTH YOU AND THE COMPANY SPECIFICALLY AGREE TO DO SO IN WRITING FOLLOWING INITIATION OF THE ARBITRATION. THIS PROVISION DOES NOT PRECLUDE YOUR PARTICIPATION AS A MEMBER IN A CLASS ACTION FILED ON OR BEFORE AUGUST 20, 2011.

(e) Initiation of Arbitration Proceeding/Selection of Arbitrator. If Customer or SiteLock elects to resolve the Dispute through arbitration, the party initiating the arbitration proceeding may initiate it with the American Arbitration Association ("AAA"), www.adr.org, or JAMS www.jamsadr.com. The terms of this Section govern in the event they conflict with the rules of the arbitration organization selected by the parties.

(f) Arbitration Procedures. Because the Service provided to Customer by SiteLock concerns interstate commerce, the Federal Arbitration Act ("FAA") governs the arbitrability of all Disputes. However, applicable federal or state law may also apply to the substance of any Disputes. For claims of less than \$75,000, the AAA's Supplementary Procedures for Consumer-Related Disputes ("Supplementary Procedures") shall apply including the schedule of arbitration fees set forth in Section C-8 of the Supplementary Procedures; for claims over \$75,000, the AAA's Commercial Arbitration Rules, and relevant fee schedules for non-class action proceedings shall apply. The AAA rules are available at www.adr.org or by calling 1-800-778-7879. Further, if a claim does not exceed \$75,000 and Customer provided notice to and negotiated in good faith with SiteLock as described above, if the arbitrator finds that Customer is the prevailing party in the arbitration, Customer will be entitled to recover reasonable attorneys' fees and costs as determined by the arbitrator, in addition to any rights to recover the same under controlling state or federal law afforded to SiteLock or Customer. The arbitrator will make any award in writing but need not provide a statement of reasons unless requested by a party. Such award will be binding and final, except for any right of appeal provided by the FAA, and may be entered in any court having jurisdiction over the parties for purposes of enforcement.

(g) Location of Arbitration. All claims for arbitration shall be submitted to and heard by the office of AAA located in Maricopa County, Arizona. Should an evidentiary hearing be required by the Arbitrator, such hearing shall be heard in Maricopa County, Arizona.

(h) Severability. If any clause within this Section (other than the Class Action Waiver clause above) is found to be illegal or unenforceable, that clause will be severed from this Section, and the remainder of this Section will be given full force and effect. If the Class Action Waiver clause is found to be illegal or unenforceable, this entire Section will be unenforceable, and the Dispute will be decided by a court and both parties each agree to waive in that instance, to the fullest extent allowed by law, any trial by jury.

(i) Continuation. This Section shall survive any termination of this Agreement.

27. Waiver of Rights. Customer agrees that the only way to waive rights under this Agreement is explicitly and in writing. Any failure to enforce any right under this agreement will not waive that right.

28. General. Customer recognizes that this Agreement, along with SiteLock's [Privacy Policy](#), [Acceptable Use Policy](#), any Additional Terms and other documents expressly incorporated by reference, constitute the complete agreement between Customer and SiteLock. Customer agrees that this Agreement will supersede any prior agreements or statements made verbally or in writing. Customer agrees that if any term in this agreement is deemed to be invalid, unlawful or unenforceable for any reason, all other terms shall remain in force. The parties are independent contractors and nothing contained in this Agreement places either in the relationship of principal and agent, master and servant, partners or members of a joint venture. Neither party has, expressly or by implication, or may represent itself as having, any authority to make contracts or enter into any agreements in the name of the other party, or to obligate or bind the other party in any manner whatsoever. Any headings herein are for convenience only and are not part of this Agreement. Except as otherwise expressly provided in this Agreement, nothing in this Agreement is intended, nor shall anything herein be construed to confer any rights, terms or equitable, in any Person other than the parties hereto and their respective successors and permitted assigns.

29. Force Majeure. Neither party is liable for any default or delay in the performance of any of its obligations under this Agreement (other than failure to make payments when due) if such default or delay is caused, directly or indirectly, by forces beyond such party's reasonable control, including, without limitation, fire, flood, acts of God, labor disputes, accidents, acts of war or terrorism, interruptions of transportation or communications, supply shortages or the failure of any third party to perform any commitment relative to the production or delivery of any equipment or material required for such party to perform its obligations hereunder.

30. Marketing. Customer agrees that during the term of this Agreement SiteLock may publicly refer to Customer, orally and in writing, as a Customer of SiteLock. Any other public reference to Customer by SiteLock requires the written consent of Customer.

31. Local Laws; Export Control. SiteLock controls and operates the Services from its headquarters in the United States of America and it may not be appropriate or available for use in other locations. If you use the Services outside the United States of America, you are responsible for following applicable local laws. Customer may not export, re-export, transfer or make available, whether directly or indirectly, any regulated item or information to anyone outside the United States in connection with this Agreement without first complying with all export control laws and regulations which may be imposed by the United States government and any country or organization of nations within whose jurisdiction Customer operates or does business.

32. Notices; Electronic Communications. All notices and demands required or contemplated hereunder shall be in writing and shall be deemed to have been duly made and given upon date of delivery if delivered in person or by an overnight delivery or postal service, or upon the expiration of five days after the date of posting if mailed by certified mail, postage prepaid, to the notice address provided by each party. SiteLock may give written notice to Customer via electronic mail to the Customer's electronic mail address as maintained in SiteLock's billing records. The communications between you and SiteLock use electronic means, whether you visit the Site or send SiteLock e-mails, or use the Services or whether SiteLock posts notices on the Site or communicates with you via e-mail. For contractual purposes, you (i) consent to receive communications from SiteLock in an electronic form; and (ii) agree that all terms and conditions, agreements, notices, disclosures, and other communications that SiteLock provides to you electronically satisfy any legal requirement that such communications would satisfy if it were to be in writing. The foregoing does not affect your statutory rights. Where SiteLock requires that you provide an e-mail address, you are responsible for providing SiteLock with your most current e-mail address. In the event that the last e-mail address you provided to SiteLock is not valid, or for any reason is not capable of delivering to you any notices required/ permitted by the Agreement, SiteLock's dispatch of the e-mail containing such notice will nonetheless constitute effective notice.
